

WHAT IS THE HFM ASIA OPERATIONAL LEADERS SUMMIT?

As an invitation-only event, the HFM Asia Operational Leaders Summit has been designed specifically for the needs of hedge fund COOs and operational professionals based in the region.

With all content created via close consultation with senior hedge fund professionals, the event has been carefully tailored to focus on the issues, challenges and opportunities faced by your business.

Attending the Summit will be an excellent way of updating your knowledge, whilst networking with other senior operational professionals.

YOUR COMPLIMENTARY DELEGATE PLACE INCLUDES:

- seminars • activities • meals • refreshments • one night's accommodation at the 5* Westin Hotel

PROGRAMME HIGHLIGHTS

- What value have you added today? How to be a better operational professional
- Technology and the coming of the cloud
- Reporting pressures from afar: Fatca
- New masters of the universe? How can your business deal with the growing power of consultants and their due diligence requests?
- Asia's regulatory landscape
- Corporate governance post-Weaving
- Dodd-Frank: Now that we are all (mostly) registered, what happens next?
- Know your service provider: Counter-party issues
